

Wickham Series® Elliptical louvres

Louvreclad Wickham Series® 200x40mm elliptical **aluminium louvres** span up to 3.2m, perfect for exterior privacy and shading. Available in modular panels or custom brackets, they can be operable with sun, weather, and lux sensors.

Features

PERFORMANCE

High Impact Resistance

Engineered for durability, the Wickham Series® elliptical louvres withstand high impact, making them long-lasting and low maintenance.

AESTHETICS

Sleek Elliptical Design

The 200x40mm elliptical profile offers a contemporary aesthetic, ideal for modern architectural projects.

DESIGN

Versatile Installation

Can be supplied in modular panels or mounted individually, suitable for vertical, horizontal, and operable shading solutions.

Specifications

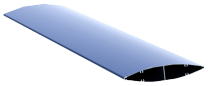

INSTALLATION

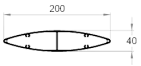

Installation and mounting details will be designed in accordance with proprietary systems and recommendations as designed and manufactured by Louvreclad.

Technical Data Disclaimer

- Indicative maximum span provided are based on generic permissible design wind pressure of 2kPa.
- Span values and product technical information provided are subjected to variance by project specific requirements & influence factors such building location, terrain category & local pressure effects.
- Span values provided are based on typical scenario where product specified are fixed at one end; simply supported at the other end and in either horizontal or vertical orientation.
- If the product specified is required to function as barrier for fall protection or as trafficable element, maximum span and pitch nominated may be reduced.
- Spans values provided could be influenced and reduced when used in dynamically sensitive wind environment.
- For project specific product selection or preliminary design & engineering consultation, please contact 1300 165 678 or sales@louvreclad.victor.nichestudio.biz to arrange or book a meeting.

Inspire with Quality

As leaders in the building envelope market, we are known for exceptional quality and lasting value. Our credibility, wealth of knowledge, and unmatched competence enable us to inspire exterior solutions that look good and perform better.

The MadeRight Guarantee

Following our proven process enables us to develop solutions we're proud to put our mark of quality to. We guarantee that all projects will be delivered in a timely manner, be on specification, engineered to Australian standards and finished to the highest quality.

Made to Perform

Louvreclad solutions are made to last and manufactured on-site using high-quality Australian aluminium and steel. As an organisation we are driven to get a thousand things right everyday to achieve our vision to be the face of Australian Building.
Our facades are not here to be average, they are here to perform – and so are we.
